

LifePak Prime®

Anti-aging Formula

LifePak Prime provides the powerful base of vitamins, minerals, and antioxidants found in LifePak with the addition of unique dietary components to address the concerns of men and women over the age of 40. These beneficial ingredients include BioGinkgo® 27/7 extract, alpha-lipoic acid, coenzyme Q10, and grape seed extract. Supplement your way to healthier living with LifePak Prime!*

- Provides powerful anti-aging protection to help you look and feel better longer*
- Supplies targeted nutrients for men over 40 and postmenopausal women, such as ginkgo biloba, milk thistle, alpha-lipoic acid, glutathione, and coenzyme Q10
- Delivers increased levels of specific nutrients (B₆, B₁₂, zinc) to address optimal intakes important to this age group
- Offers unique dietary components for bone health, as well as those that support memory and circulation*

Competitive Advantage

LifePak Prime offers recognizable benefits to your health. LifePak Prime is improved with the addition of specific nutrients such as alpha-lipoic acid and lycopene that target and inhibit the typical symptoms associated with the aging process. It is the most comprehensive, safe, and effective vitamin supplement available. LifePak Prime's full-spectrum formula is proven to be superior over the competition!*

Recommended Usage

Two packets daily. Take the contents of one (1) LifePak Prime packet with eight (8) ounces of liquid with your morning and evening meals.

Ingredient Information

LifePak Prime provides strong anti-aging protection with alpha-lipoic acid (167 percent more than regular LifePak), plus 20 other powerful nutrients to help you look and feel better longer! This formula delivers cardiovascular support with natural vitamin E and B vitamins, as well as complete bone nutrition with calcium (500 mg more than regular LifePak), magnesium, and vitamin D. LifePak Prime offers superior cell protection against damaging free radical attacks with a catechin-rich polyphenol and flavonoid blend. It provides full-spectrum nutritional support for the immune system with vitamins A, C, E, and B, plus zinc and a carotenoid blend. It also contains BioGinkgo 27/7 for memory enhancement and Co Q10 for increased heart function.*
